Project Flow

Team ID – PNT2022TMID16694

- Users create multiple analysis graphs/charts.
- Using the analyzed chart creation of the Dashboard is done.
- Saving and Visualizing the final dashboard in the IBM Cognos Analytics.

To accomplish this, we have to complete all the activities and tasks listed below

- IBM Cloud Account
- Login to Cognos Analytics
- Working with the Dataset
    - Understand the Dataset
    - Loading the Dataset
- Data visualization charts
    - Stocks of products and details
    - With sales and production of products
    - Top 10 Sales by year of stocks
    - Products profit calculation and estimate
    - Inventory management of daily movement of stocks
- Dashboard Creation
- Export the Analytics
